MOST Tunica hotels are pet friendly; inquire about their pet policy when you book!

All the casino hotels have multiple dining options on site; but here is the inside "scoop":

The Paula Dean Buffet is at Harrah's Grand.

Sam's Town has a very good on site Steak House.

Hollywood Casino has a moderately priced diner (50's style) on site

All the Casinos are about a 15 minute drive from the show grounds. Sam's Town and Hollywood are the closest if you go the "shortcut" (ask us). The Regular Hotels are on the main Hwy and are closer in drive time. Royal Inn is right next door to the show; but it is one of the older properties.
